2. The Princess Bed Protagonist:

- a. Name:
 - i. The Princess
- b. Age:
 - i. 27
- c. Family Relationships:
 - i. Mother and Father pretend she doesn't exist. They haven't visited her in 15 years. Instead, the bigger she gets, the taller they make her bed.
 - ii. Her Right-Hand is her best and only friend. She treats The Princess with kindness and understanding.
- d. Physical Traits:
 - i. She is overweight and weak from literally never lifting a finger. Her Right-Hand does her hair and makeup daily. She is fair with round features and sad eyes.
- e. Education:
 - i. Only the books her Right-Hand reads to her. Which is a lot, since that's how they spend their days.
- f. Hobbies:
 - i. Listening to her Right-Hand read books and talk about life. Watching the birds on the other side of the large window. Using her imagination to recount stories she's been told.
- g. Passions:
 - i. Imagining having more friends like her Right-Hand. Imagining her parents visiting her again.
- h. Self-Esteem:
 - i. Low, she isn't able to speak but she hears what the maids say about her. She knows she isn't like any of them and that her parents refuse to see her. But she doesn't know what she did wrong or how to fix it.
- i. Struggles/Hardships:
 - i. Being raised without having to lift a finger. She doesn't know how to do anything for herself.

ii. She knows she is different and bad but doesn't understand why.

j. Strengths:

i. Curiosity.

ii. Observation skills.

iii. Listening skills.

iv. A quick learner.

k. Innate Traits:

i. Kindness with a big heart.

ii. Bravery to try new things without overthinking it.

iii. Caring and understanding.
