

Part Three - *Hark the Herald Angels Sing/America the Beautiful*

Completed by Hollis Wong-Wear (*thank you LT for your feedback to date and thank you in advance for fielding all my last min assignments!!*)

**Hark! All the herald angels sing
God bless the newborn king
Peace on the earth and mercy mild
Where all is reconciled
Each nation rising joyfully
In triumph of the skies
Our Christ was born in Bethlehem
The angels do proclaim**

**O the beauty of the skies
O the amber waves of grain
O the purple mountains reaching
High above the fruited plains
Let us sing
America
May God grace
America
Crown thy good with
Brotherhood
From every sea
To shining sea
Crown thy good with
Brotherhood
From every sea
To shining sea**
